Brunelcare

- We are renowned as a provider of high quality housing, care and support for older people in the South West.
- For 70 years we have been at the forefront of developing ways for people to stay as independent as possible, creating great communities to live, work and enjoy being in.
- The extensive range of our services means that people can stay with us however their needs may change.

Helping older people make the most of their lives

People

We understand how important our staff are to the people we support. They have been chosen because they are kind and keep their promises.

Our staff are passionate about what we do and strive to make a positive difference to peoples lives. We take pride in our reputation for not letting people down.

The training and support we give our staff helps them to:

- Respect people as individuals
- Treat people with dignity
- Value people's differences
- Give people choices

Delivering Great Services

Our services meet the needs of people, providing value for money, without compromising on quality.

Our award winning housing allows people to live independently in friendly and supportive communities.

From getting ready for the day to help with the shopping we provide a variety of services that help people to stay living in their own homes.

Our purpose built care homes provide an attractive and comfortable environment for specialist nursing and dementia care.

We are widely recognised for our expertise and excellence in caring for people living with dementia, and supporting their families.

Making a difference to 3,000 people, their families and supporters.
