Overview: Brunelcare collaborates with Waycroft Academy school children and families - who gave Christmas gifts to everyone living at Robinson House

Special gifts for care home residents

Pupils at Waycroft Academy in Stockwood and the care home team at Brunelcare's nearby Robinson House built closer links this season through a 'Christmas Gift Box' appeal.

The school chose Brunelcare as its appeal charity, encouraging pupils and their families to gather a few useful gift items in Christmas gift-wrapped boxes to deliver by hand to everyone cared for and living at the care home in Sturminster Road. Pupils not only delivered the boxes but also entertained everyone with a Christmas sing-along.

Joy White, manager at Robinson House, said: "I can't say a big enough thank you to all the children and their parents who have so generously donated these wonderful presents to our Robinson House 'family'."
